

Police Service of Scotland Community Council Report

Community Council:

Forth and Endrick, Balfron Community Council

Reporting Period:

February 2021 - Compiled by PC Steven Graham

Ward Plan Priorities

Antisocial Behaviour

Complaint was received in relation to a party in the village and breaching Covid restrictions. Police attended however no issues were apparent.

There was a report of vandalism to a vehicle parked at Dunmore St, Balfron and an unrelated one at the car park up the hill from the bank. Enquiries are continuing into both of these.

There is an ongoing neighbour dispute at South Lomond Terrace, Balfron. Liaison is being made with both parties and also Stirling Council.

Road Safety

There were no reportable RTCs in the Balfron area however snow and ice proved to be hazardous for some drivers in the Forth and Endrick area.

Prepare for the winter by keeping your vehicle well maintained before you take to the road. Take special care that brakes, tyres, lights, batteries, windscreens and wiper blades are in good condition. In addition, washer bottles need to contain an additive to stop the water from freezing.

Tyres should also be checked weekly to ensure they are legal and at the correct pressure (consult your vehicle handbook). The minimum legal tread depth for cars is 1.6mm across the centre 3/4 of the breadth of the tread around the entire circumference. They should also be checked for bulges, cuts or tears which weaken the tyre. Failure to maintain your tyres could lead to a maximum of £2,500 fine and 3 penalty points per tyre.

Please ensure that vehicle windscreens are defrosted and you have a full view of the road ahead prior to driving off. On that note, please do not defrost the windscreen by leaving your engine running unattended on the road or driveway.

Police Service of Scotland Community Council Report

Theft

There have been no thefts in Balfron since the last meeting however Killearn Country Cycles was broken into and high value bikes stolen. If anyone has any information then please contact the Police.

'We always advise never leave bags or any valuables lying on the seats of your parked and unattended vehicles. It is so very quick and easy for thieves to smash a car window, reach in and take any valuables in an instant. If a thief observes a bag in a car, they may think the bag contains something valuable and will smash your window to get in, even if it contains absolutely nothing of value! Please take any bag and or valuables with you but if this is not possible, place the items in your boot or out of sight, but preferably, take all valuables with you.'

We remind residents to be ever vigilant and contact the Police should anyone see anything suspicious. Please remember to follow basic home security rules and help to make it harder for the thieves.

Please consider the following:

- Use timer switches on lights and radios to make it look as if your home is occupied.
- Ensure all doors and windows are secure when you leave and when you go to bed.
- If possible use secure lighting at the front and back of your property.
- Make sure all garden tools and ladders are locked away when not being used. Don't give the thieves the tools to break into your house.
- Use a good quality lock on any garden sheds and outhouses.
- Make a note of all makes, models and serial numbers of expensive items in your home.
- If your house is fitted with an alarm then please use it. This is a good deterrent should thieves manage to force entry to your house.
- create a FREE and secure inventory of all your personal property at www.immobilise.com
- If you note anything suspicious in your neighbourhood report it on 101.

There are guides on the Police Scotland website giving other ideas to protect property in rural areas:

Police Service of Scotland Community Council Report

Fraud

Fraudsters can make contact with you by phone. The caller might pretend to be from your bank and ask for personal information such as bank details or they might be someone offering you a deal or a prize. Recently calls have been made by persons purporting to be from HMRC stating that there was a warrant out for the receiver of the call and was asked to contact the number that was given. This is clearly a false call so please heed the below advise:

- Consider making your phone number ex-directory.
- Don't give out any personal information unless you are the one who made the call and you are certain of the identity of the person you are speaking to.
- Don't give out your credit card or bank card details to strangers on the telephone.
- NEVER tell somebody your bank PIN number, even if they claim to be the bank or police. If the caller is genuine they will never ask for this information.
- Don't give out information which may infer that you live alone, are older or vulnerable.
- Never send money to anyone who claims to have a prize for you.
- If it sounds too good to be true, it probably is.
- Contact local trading standards – they may be able to use approved 'call blocking' technology.

Fraud – Covid 19

Criminals are using the Coronavirus as a cover story to trick you into parting with your money or information. Always take a moment to Stop, Challenge and Protect before making any payments.

It's important not to let the criminals rush or panic you into making a decision that you later come to regret and remain vigilant and guard against criminals using the publicity around Coronavirus as a chance to target you with fraudulent emails, phone calls, texts messages or social media posts.

With fake news articles on the internet and in the press promoting remedies, cures and false advice around coronavirus, it's also important to only share articles from trustworthy sources. If you are in any doubt, then visit www.gov.uk/coronavirus or www.who.int/ for updates and information.

Criminals are experts at impersonating people, organisations and the police. They spend hours researching you for their scams, hoping you'll let your guard down for just a moment. Stop and think: it could protect you and your money.

If you receive an email, text or WhatsApp message purporting to be from the government, HMRC, the World Health Organisation (WHO) or a coronavirus-related charity, then take a moment to think before you part with your money or information.

Police Service of Scotland Community Council Report

Never click on links or download attachments as criminals may infect your devices with malware or ask you to enter your personal or financial information into fake websites. In some cases this can lead to your identity being stolen.

Community Engagement and Reassurance

It is important to you to have community officers who you know, who are accessible and who address local problems.

PC Steven Graham and PC Gary Martin are the Ward Officers for the Forth and Endrick area. They are based at Balfron Police Office and can be contacted at the office, on 101, or at ForthEndrickCPT@scotland.pnn.police.uk. It is recommended that this email address is used by the local community for email contact.

Please remember that we regularly publish useful information and updates on social media, including appeals for information, updates about road closures and crime prevention advice. Our Facebook and Twitter pages can be found at
