

Police Service of Scotland Community Council Report

Community Council:

Forth and Endrick, Balfron Community Council

Reporting Period:

February 2022 - Compiled by PC Steven Graham

Ward Plan Priorities

Antisocial Behaviour

A youth was found in possession of cannabis at Balfron High School.

A school kid was causing annoyance by regularly chapping on a window and annoying a house holder's dog. Youth was identified and was spoken to in front of his parents.

Road Safety

An RTC occurred at "The Cutting" No injuries sustained and both parties exchanged details.

One vehicle RTC on Station Rd, Balfron. Female suffered slight injuries as a result.

Advice for Drivers

Prepare for the winter by keeping your vehicle well maintained before you take to the road. Take special care that brakes, tyres, lights, batteries, windscreens and wiper blades are in good condition. In addition, washer bottles need to contain an additive to stop the water from freezing.

Tyres should also be checked weekly to ensure they are legal and at the correct pressure (consult your vehicle handbook). The minimum legal tread depth for cars is 1.6mm across the centre 3/4 of the breadth of the tread around the entire circumference. They should also be checked for bulges, cuts or tears which weaken the tyre. Failure to maintain your tyres could lead to a maximum of £2,500 fine and 3 penalty points per tyre.

Make sure your windows are clean, properly demisted and clear of snow and ice before you drive. Also make sure that your roof is clear of snow as this affects drivers behind you and can also cause obstructions on your windscreen when braking. Be careful with low sun as it can make it difficult to see and a dirty, greasy or damaged windscreen can make this worse.

All lights must be kept clean and clear and be in good working order, including registration plate lights. Use the help of someone to check that all of your lights are working.

Police Service of Scotland Community Council Report

Theft

There have been no thefts in the Balfron area since the last meeting however another vehicle was stolen in Blanefield after access gained to an insecure house. Enquiries are continuing.

A sneak in theft also occurred in Fintry whereby keys and a vehicle was stolen from a driveway.

An attempt was also made to gain entry to Oakwood Garden Centre in Killearn. No entry was gained.

What basic steps can I take to protect my home?

The evenings are getting darker earlier and it is a time where traditionally housebreakings can occur. Having your home broken into is not common. There are however many ways that you can help secure your home. They don't all cost money – some are common sense and good housekeeping.

First, think about basic good housekeeping routines that aren't expensive:

- Keep your home locked at all times
- Many thieves do not need to break in at all because a door or window has been left open or unlocked
- Don't leave keys on the inside of door locks, under mats or anywhere else they can be easily found
- If you have a 'thumb turn' lock on the inside of a door, ensure that it cannot be accessed from outside
- Don't keep house keys and car keys on the same key ring
- Don't keep a lot of cash in the house
- Mark your property with a UV marker pen or Security DNA marking Kit - these can be bought online or in some stores
- Look for the Secured By Design accreditation on the product and register - you can place an invisible imprint of your postcode and house number on your possessions
- You can record and register details of your valuables, serial numbers and features or marks, on devices on the national mobile property register on the immobilise website - this includes mobile phones, cameras, laptops and tablets
- Don't leave valuables where they can be seen through a window - for example, around the tree at Christmas time
- If you have a wall calendar, avoid having it shown near a window from where appointments can be seen - people may see when there will be no one in.
- Use timer switches on lights and radios to make it look as if your home is occupied.
- Ensure all doors and windows are secure when you leave and when you go to bed.
- If possible use secure lighting at the front and back of your property.
- Make sure all garden tools and ladders are locked away when not being used. Don't give the thieves the tools to break into your house.
- Use a good quality lock on any garden sheds and outhouses.
- Make a note of all makes, models and serial numbers of expensive items in your home.
- If your house is fitted with an alarm then please use it. This is a good deterrent should thieves manage to force entry to your house.
- If you note anything suspicious in your neighbourhood report it on 101

Police Service of Scotland Community Council Report

Fraud -

A fraud was attempted in Strathblane whereby a form regarding a vaccine passport was requested to be filled in. Bank details were asked for which raised suspicion and none were given out. Please be aware of all types of fraud as they are very common. This is why this section is left in the report every month.

A potential fraud also occurred in Croftamie where a female received a text from someone purporting to be her son asking her for money. Bank details were sent to reporter for where the money should be sent. Fortunately, her son was in contact prior to any money being transferred who confirmed he did not make the request.

Fraudsters can make contact with you by phone. The caller might pretend to be from your bank and ask for personal information such as bank details or they might be someone offering you a deal or a prize. Other calls have been made by persons purporting to be from HMRC stating that there was a warrant out for the receiver of the call and was asked to contact the number that was given. This is clearly a false call so please heed the below advise:

- Consider making your phone number ex-directory.
- Don't give out any personal information unless you are the one who made the call and you are certain of the identity of the person you are speaking to.
- Don't give out your credit card or bank card details to strangers on the telephone.
- NEVER tell somebody your bank PIN number, even if they claim to be the bank or police. If the caller is genuine they will never ask for this information.
- Don't give out information which may infer that you live alone, are older or vulnerable.
- Never send money to anyone who claims to have a prize for you.
- If it sounds too good to be true, it probably is.
- Contact local trading standards – they may be able to use approved 'call blocking' technology.

Community Engagement and Reassurance

It is important to you to have community officers who you know, who are accessible and who address local problems.

PC Steven Graham is the Ward Officer for the Forth and Endrick area. They are based at Balfon Police Office and can be contacted at the office, on 101, or at ForthEndrickCPT@scotland.pnn.police.uk. It is recommended that this email address is used by the local community for email contact.

Please remember that we regularly publish useful information and updates on social media, including appeals for information, updates about road closures and crime prevention advice. Our Facebook and Twitter pages can be found at
